

Funding *Inspiration*

Are you a business owner looking for more information about accessing finance to grow your business?

At our Funding Inspiration event you can get to grips with the types and sources of funding available to you to finance business growth and how you prepare to access funding. There will be an opportunity to hear from Fund Managers at The North West Fund – the £185m Investment Fund established to provide debt and equity funding to growing SME's in the North West of England – and the experiences of an entrepreneur who has already benefitted from funding.

So whether you are just starting up or looking for investment to help take you to the next level, a Funding Inspiration event could be the first step toward getting the information you need. With more than 80 small businesses having received investment from The North West Fund to date, our commitment to Inspiring Entrepreneurs is going from strength to strength – and you could be one of our future success stories.

To find out more about our Funding Inspiration events, including dates and venues, visit www.thenorthwestfund.co.uk.

To register for these events, businesses must meet the definition of a small to medium size enterprise and be based in the North West of England. Retail businesses are excluded from support from The North West Fund and the Access to Finance NW Service. Find out about the free support available from the Access to Finance NW Service to help your business raise finance at www.a2fnw.co.uk.
