

We've supported
more than

125

Merseyside
businesses
with over
£40m
of investment.

Through these investments

we have leveraged a further

in private
sector
finance...

...and created
or safeguarded
more than

1,000

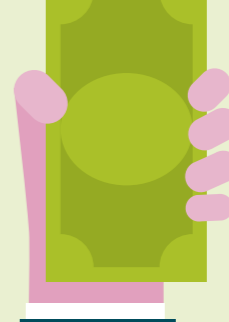

jobs in
Merseyside.

This has had a significant impact
on the Merseyside economy

boosting GVA to
£8m

a figure that will continue to
rise as our investments mature.

We have invested
in everything from

cold and flu
remedies to

pioneers
of 3D
printing

'twenty something'
entrepreneurs to

sixty year old
business tycoons

to growing
businesses that
have been
established for
over 20 years

start-ups

All of our investments
have one thing
in common –
they are
helping to

G R O W

the Merseyside economy.

Could you be our next investment?
